

DIVISION OF ENVIRONMENTAL PROTECTION  
Certification is effective through July 31  
**LABORATORY CERTIFICATION - SAFE DRINKING WATER ACT**

Laboratory Name: \_\_\_\_\_ EPA# \_\_\_\_\_ Date \_\_\_\_\_

Annual **APPLICATION FEE** for Certification is **\$500.00** only one application fee is required whether applying for one, two or all three programs. Laboratories applying for only **MICROBIOLOGY** are exempt from the annual application fee. \*If a laboratory requests certification for a contaminant by more than two approved methodologies a fee of **\$200.00** shall be assessed for each methodology in excess of two. Attach additional sheets if necessary. **SDWA Approved Methods - 40CFR141**

[illegible]

\*If a laboratory requests certification for a contaminant by more than two methods a fee of \$200.00 shall be assessed for each method in excess of two.

**\*\*Pro-rated fee = .083 X TOTAL FEE X number of months remaining until August 1. For the purpose of prorating fees, an application for certification shall be deemed to have been submitted at the beginning of a month regardless of the date received. The prorated fee must be rounded to the next highest dollar.      \*\* Pro-rated Total \$ \_\_\_\_\_**

**The application fee is not prorated.** Only one application fee is required whether applying for one, two or all three programs. **If applying for SDWA only add the application fee.** Application fee \$ \_\_\_\_\_

**See page 7 if applying for more than one program to total all fees.** **Total \$** \_\_\_\_\_

DIVISION OF ENVIRONMENTAL PROTECTION  
Certification is effective through July 31  
**LABORATORY CERTIFICATION - CLEAN WATER ACT**

Laboratory Name: \_\_\_\_\_ EPA# \_\_\_\_\_ Date \_\_\_\_\_

Annual **APPLICATION FEE** for Certification is **\$500.00** only one application fee is required whether applying for one, two or all three programs. Laboratories applying for only **MICROBIOLOGY** are exempt from the annual application fee. \*If a laboratory requests certification for a contaminant by more than two approved methodologies a fee of **\$200.00** shall be assessed for each methodology in excess of two. Attach additional sheets if necessary. **CWA Approved Methods - 40CFR136.**
